*The NRS eWIC program is available in select states only and retailer must have WIC ID from applicable state. State eWIC resources listed above are provided for informational purposes only and have not been verified by NRS. NRS is not providing legal, regulatory or tax advice with respect to any matter described or depicted in this document. Retailers and persons interested in obtaining an eWIC ID from a state should seek their own legal, regulatory and tax advice and consult with an attorney and other professionals.
